

DIGITAL CHAIN BRATISLAVA 2 0 2 4

Become a partner of the 1st year
of the international conference

WHEN: **Saturday on April 13, 2024**
(9.00 - 19.00)

WHERE: **University of Economics in Bratislava**
(FHI EUBA)

General partners of the event:

digitalchain2024.sk

We want to introduce companies, products and solutions and also professional discussion in the following areas:

Digital assets, blockchain and peer-to-peer technologies

Related technical background and **infrastructure**
proof-of-work (mining technology and related innovations)

Software applications and digital platforms
(payment gateways, exchanges, trading, staking - CEX, DEX, DeFi, dApps)

Financial derivatives of digital assets
(futures and spot ETF funds of BTC, ETH and their impact on individual segments)

Challenges in **new digital asset regulation** within the EU
(MiCA and TRF regulation and upcoming CBDC including digital EURO)

Possible **benefits for the financial, business sector** and for the **ordinary consumer** (including taxation of digital assets for persons and corporations, crypto services providers etc.)

Supervision of the cryptoasset market **by the National Bank of Slovakia**, **digital security** for business sector and consumers.

The goal is also **awareness** and **involvement of relevant institutions** and government bodies, the financial and technological sector, as well as the professional **education process**, including the University of Economics in Bratislava (EUBA) itself.

The conference is held under the **official patronage of the dean** of Faculty of Economic Informatics on EUBA.

We expect **at least 500-1000 participants** from the professionals and general public.

Become a partner too!
